

Plant a tree and help the Faith to

grow! 

Do you want to help the environment, plant a hedge, enhance your garden? Would a friend like an unusual present?

To raise funds to send our young parishioners on their visit to Budapest, we are selling a range of tree saplings, grown by Cheviot Trees, a plant nursery in the borders.

Broad leaf saplings will be one season old, conifers are two seasons old. The saplings are cell-grown and are between 20cm and 60cm in height, depending on species.

The cost is just £2 per tree.

(Deer tubes are available at £1 each if required.)

Cheviot Trees hold a 10 year contract to supply both the Scottish and English Forestry Commissions - and they also supplied many of the trees used to re-landscape at Arisaig when the new road was built.

How to order!

Please place the completed order form (see reverse) and money in a SEALED envelope. CASH ONLY please. Boxes will be available in church to collect the orders on Sunday 6th and Sunday 13th October. There will also be a collection box and further order forms in the Harbour Shop for these 2 weeks.

Please encourage friends and neighbours to buy saplings. No order too small or too large!

Full name: Tel.

Address for delivery:

.....
.....

Name of tree	Number ordered
Oak
