VISITORS:
 Welcome to all
 our Visitors!

WE PRAY FOR THE SICK: There are a lot of people not well at the moment and require our constant prayers and support. There are so many people that occupy my thoughts and prayers at the moment. Please. Do not lose your faith in prayer! It works miracles. I am always ready to administer the Sacrament of the Sick whenever you ask. It is not an imposition; I am happy to carry out this ministry. I will always respect your privacy and confidentiality.

Almighty and Eternal God, You are the everlasting health of those who believe in You. Hear us for Your sick servants for whom we implore the aid of Your tender mercy, that being restored to bodily health, they may give thanks to You in Your Church. Through Christ our Lord.

SPECIAL COLLECTIONS:

- 15th June / 16th June – Day for Life. **DO NOT USE** Parish Gift Aid Envelopes.
- 29th June / 30th June – PETER'S PENCE. **DO NOT USE** Parish Gift Aid Envelopes.

JUNE DEVOTIONS: We will be having Exposition of the Blessed Sacrament and Litany of the Sacred Heart of Jesus every Friday after Mass. May is a month dedicated to the Sacred Heart.

CHURCHES OPEN FOR VISITORS: My thanks to Merac MacDonald for volunteering to lock St. Mary's on Tuesday, Thursday, Saturday and Sunday. Church will be open for visitors during the day on these dates. We have CCTV in place so that should discourage actions like in Glenuig.

GRASS IN MORAR AND MALLAIG: My thanks to Duncan and Michael for their help with grass cutting in Morar and Donald, Hughie and Anne in Arisaig. With upcoming season, I am doing what I can to help out in Morar with the grass but if we have a volunteer who would like to be part of the Rota on regular basis, it will assist me a lot. I usually do it once a week. Please speak to me if you can volunteer – so far no one else has volunteered.

FIRST COMMUNIONS: This Sunday we are celebrating First Communion in our Parishes. We congratulate 5 Children who will receive their Lord for the first time. This celebration always brings to mind our own First Communion. Many thanks to Lilian Young for her help and dedication, as well as to all the parents for their participation and organising tea/coffee at the back. Please, stay behind as a sign of your appreciation, otherwise the priest will have to eat all the leftover cakes 😊

JAQUELINE MACDONALD: After a long and brave battle with illness, Jaqueline died peacefully last Thursday. Her funeral will take place in Morar on the 12th June at 12noon. Rest in peace.

WHY DOES THE KITCHEN NEED AN UPGRADE? Yes, it is this time of the year when I have to deal with different comments and requests from our guests. When I asked one of the visitors what was wrong with the kitchen (4/5 review) she informed me that the moment the pizza cutter touched the pizza it broke. Another one claimed that the instructions from the manufacturer of the coffee machine is not clear – yes, after intervention, I did acknowledge that the on/off button has to be pressed first. I suspect many more of these will come but altogether isolated incidents. It does make me wonder about constant need to have everything new – furniture is too old, table is old etc. I agree that some things need to be replaced, but if they are looking fine and are functional? Why? Suffice to say that hospitality is one of the most mentally challenging work. It did teach me a lot of patience as well as understanding for hosts during my own stays.

TREES: My thanks to Darius and John for their help with removing the boulder which collapsed on top of my drain in Morar, causing flooding to the back of the house. They also did some work with the outgrown vegetation – it has become quite dangerous for me to enter my own driveway these days and waiting on the Council?

ARISAIG AMERICANA: Once again, we are hosting the performers of the festival. It is our way of giving back to the community with the fruits of our labour.

PLUMBING: Jamie Young will be performing some upgrades in the Chapel House in Arisaig – hopefully he will be available as our guests are struggling to use the taps – many of them coming from different countries and not remembering days before mixer taps were developed!
